

THE SAFETY CORNER

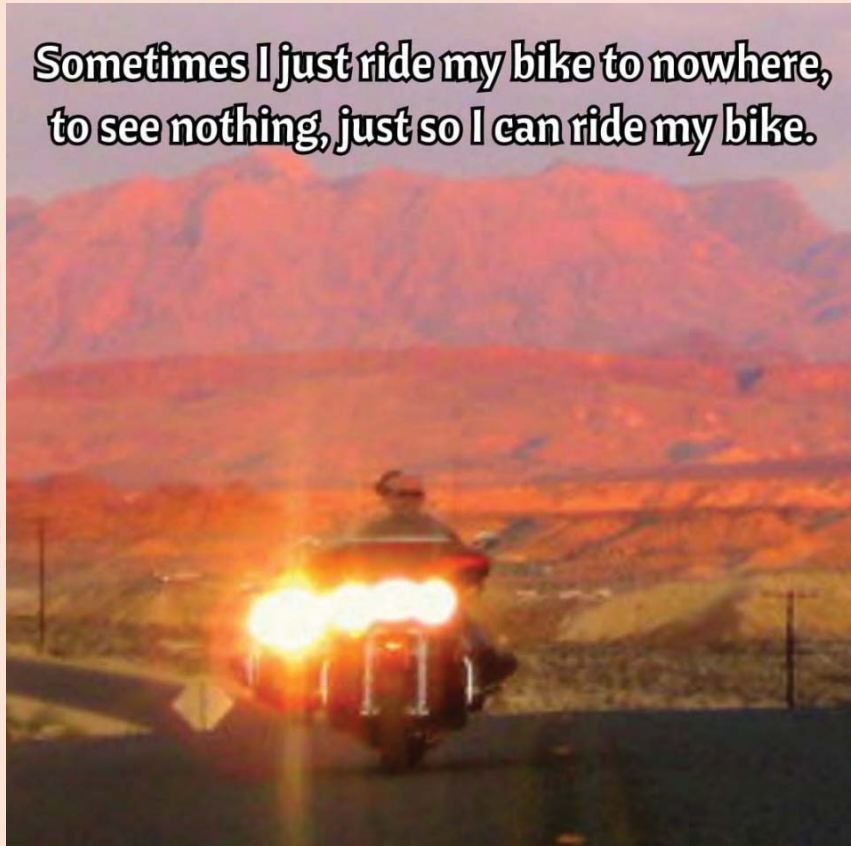

Tom Kelly

This month's topic:

Riding alone....

**Sometimes I just ride my bike to nowhere,
to see nothing, just so I can ride my bike.**

Sometimes you just need to get on your bike and ride alone. There are a few things to keep in mind as you ride.

- 1st...Make sure you let someone know you are going riding.
- 2nd...Make sure you check in with someone to let them know you are safe and your location.
- 3rd... keep your cell phone with you and charged at All times.
- 4th...make sure you have a plan for any unforeseen situations.

Have fun and be safe. See you in the wind!!!
